ABOUT ME

Since 2012, I've been shaping light, form, and imagination into compelling visual stories. In 2021, I became a Senior 3D Artist but my true pursuit goes beyond titles. I create worlds that transform ideas into experiences, where technology becomes art and the ordinary turns extraordinary. My work is driven by one mission: to captivate audiences and reveal the unseen beauty of imagination made real.

EXTERIOR RENDERS

Environment created with team effort which was managed by me, rendered in 3DS Max using Vray by me, including post production - matte painting.

Azizi Riviera Master plan community
- Dubai, UAE

Danube : Entrance Drop-off
- Dubai, UAE

Environment modeled and rendered in 3DS Max using Corona by Jagat.

HAO Architects : Casa Grand

- Deira Islands, Dubai, UAE

Environment assets (Uzbektistan city 3D Model) bought online and rendered in 3DS Max using Corona by Jagat.

Environment modeled and rendered in 3DS Max using Corona by Jagat.

Gulfland + Tonino Lamborghini : Tower

- Uzbekistan

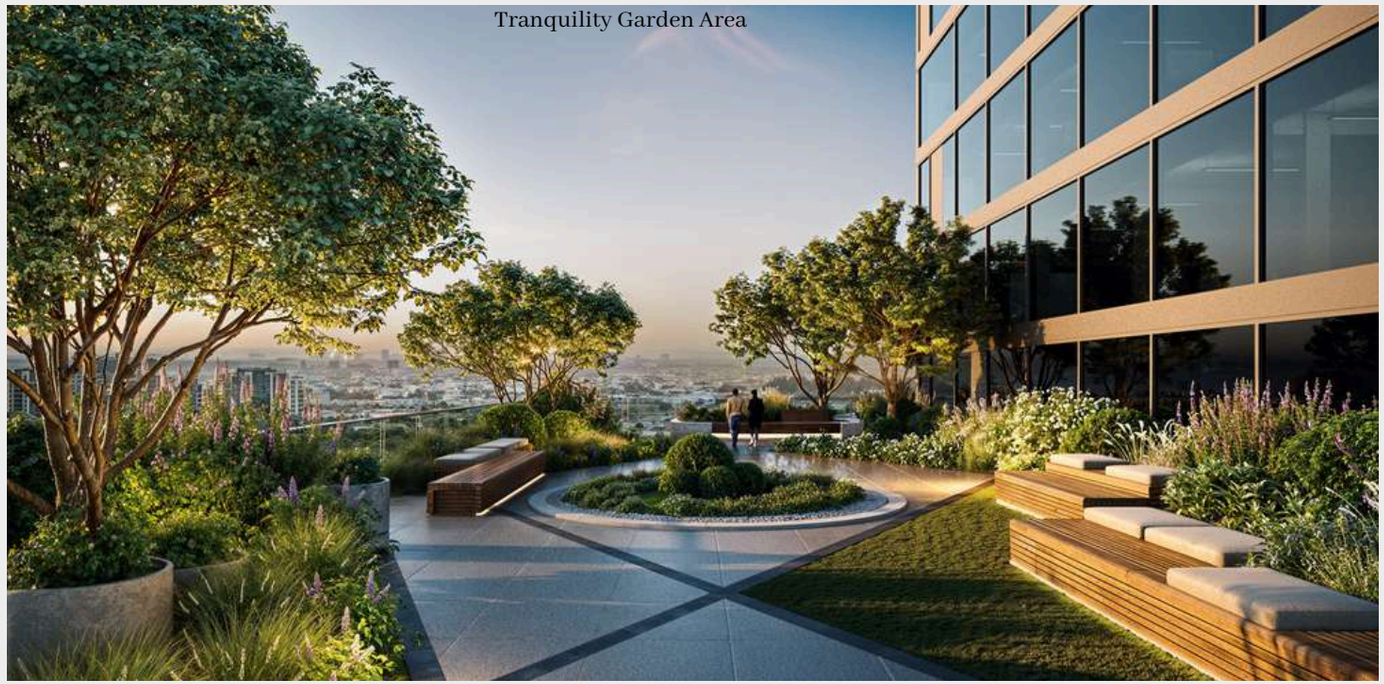
Environment modeled and fully visualized and rendered in 3DS Max using Corona by Jagat.

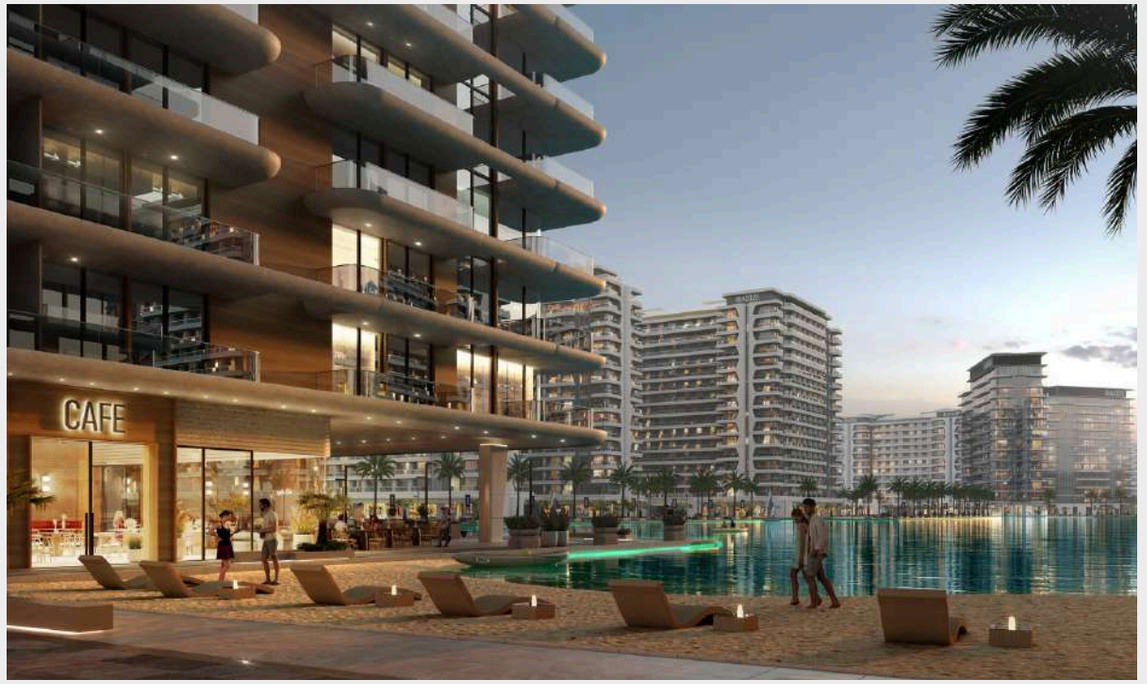
Podium facilities : Water Kniep Therapy

- Dubai, UAE

A few samples of projects done in Dubai for commercial facilities of various poperties.

Environment modeled and fully visualized and rendered in 3DS Max using Corona by Jagat.





Environment modeled and fully visualized
and rendered in 3DS Max using Corona by Jagat.

Azizi Venice - Beach Waterfront
- Dubai South, UAE

Environment modeled and fully visualized and rendered in 3DS Max using Corona by Jagat.

Azizi Venice - Beach Waterfront

- Dubai South, UAE

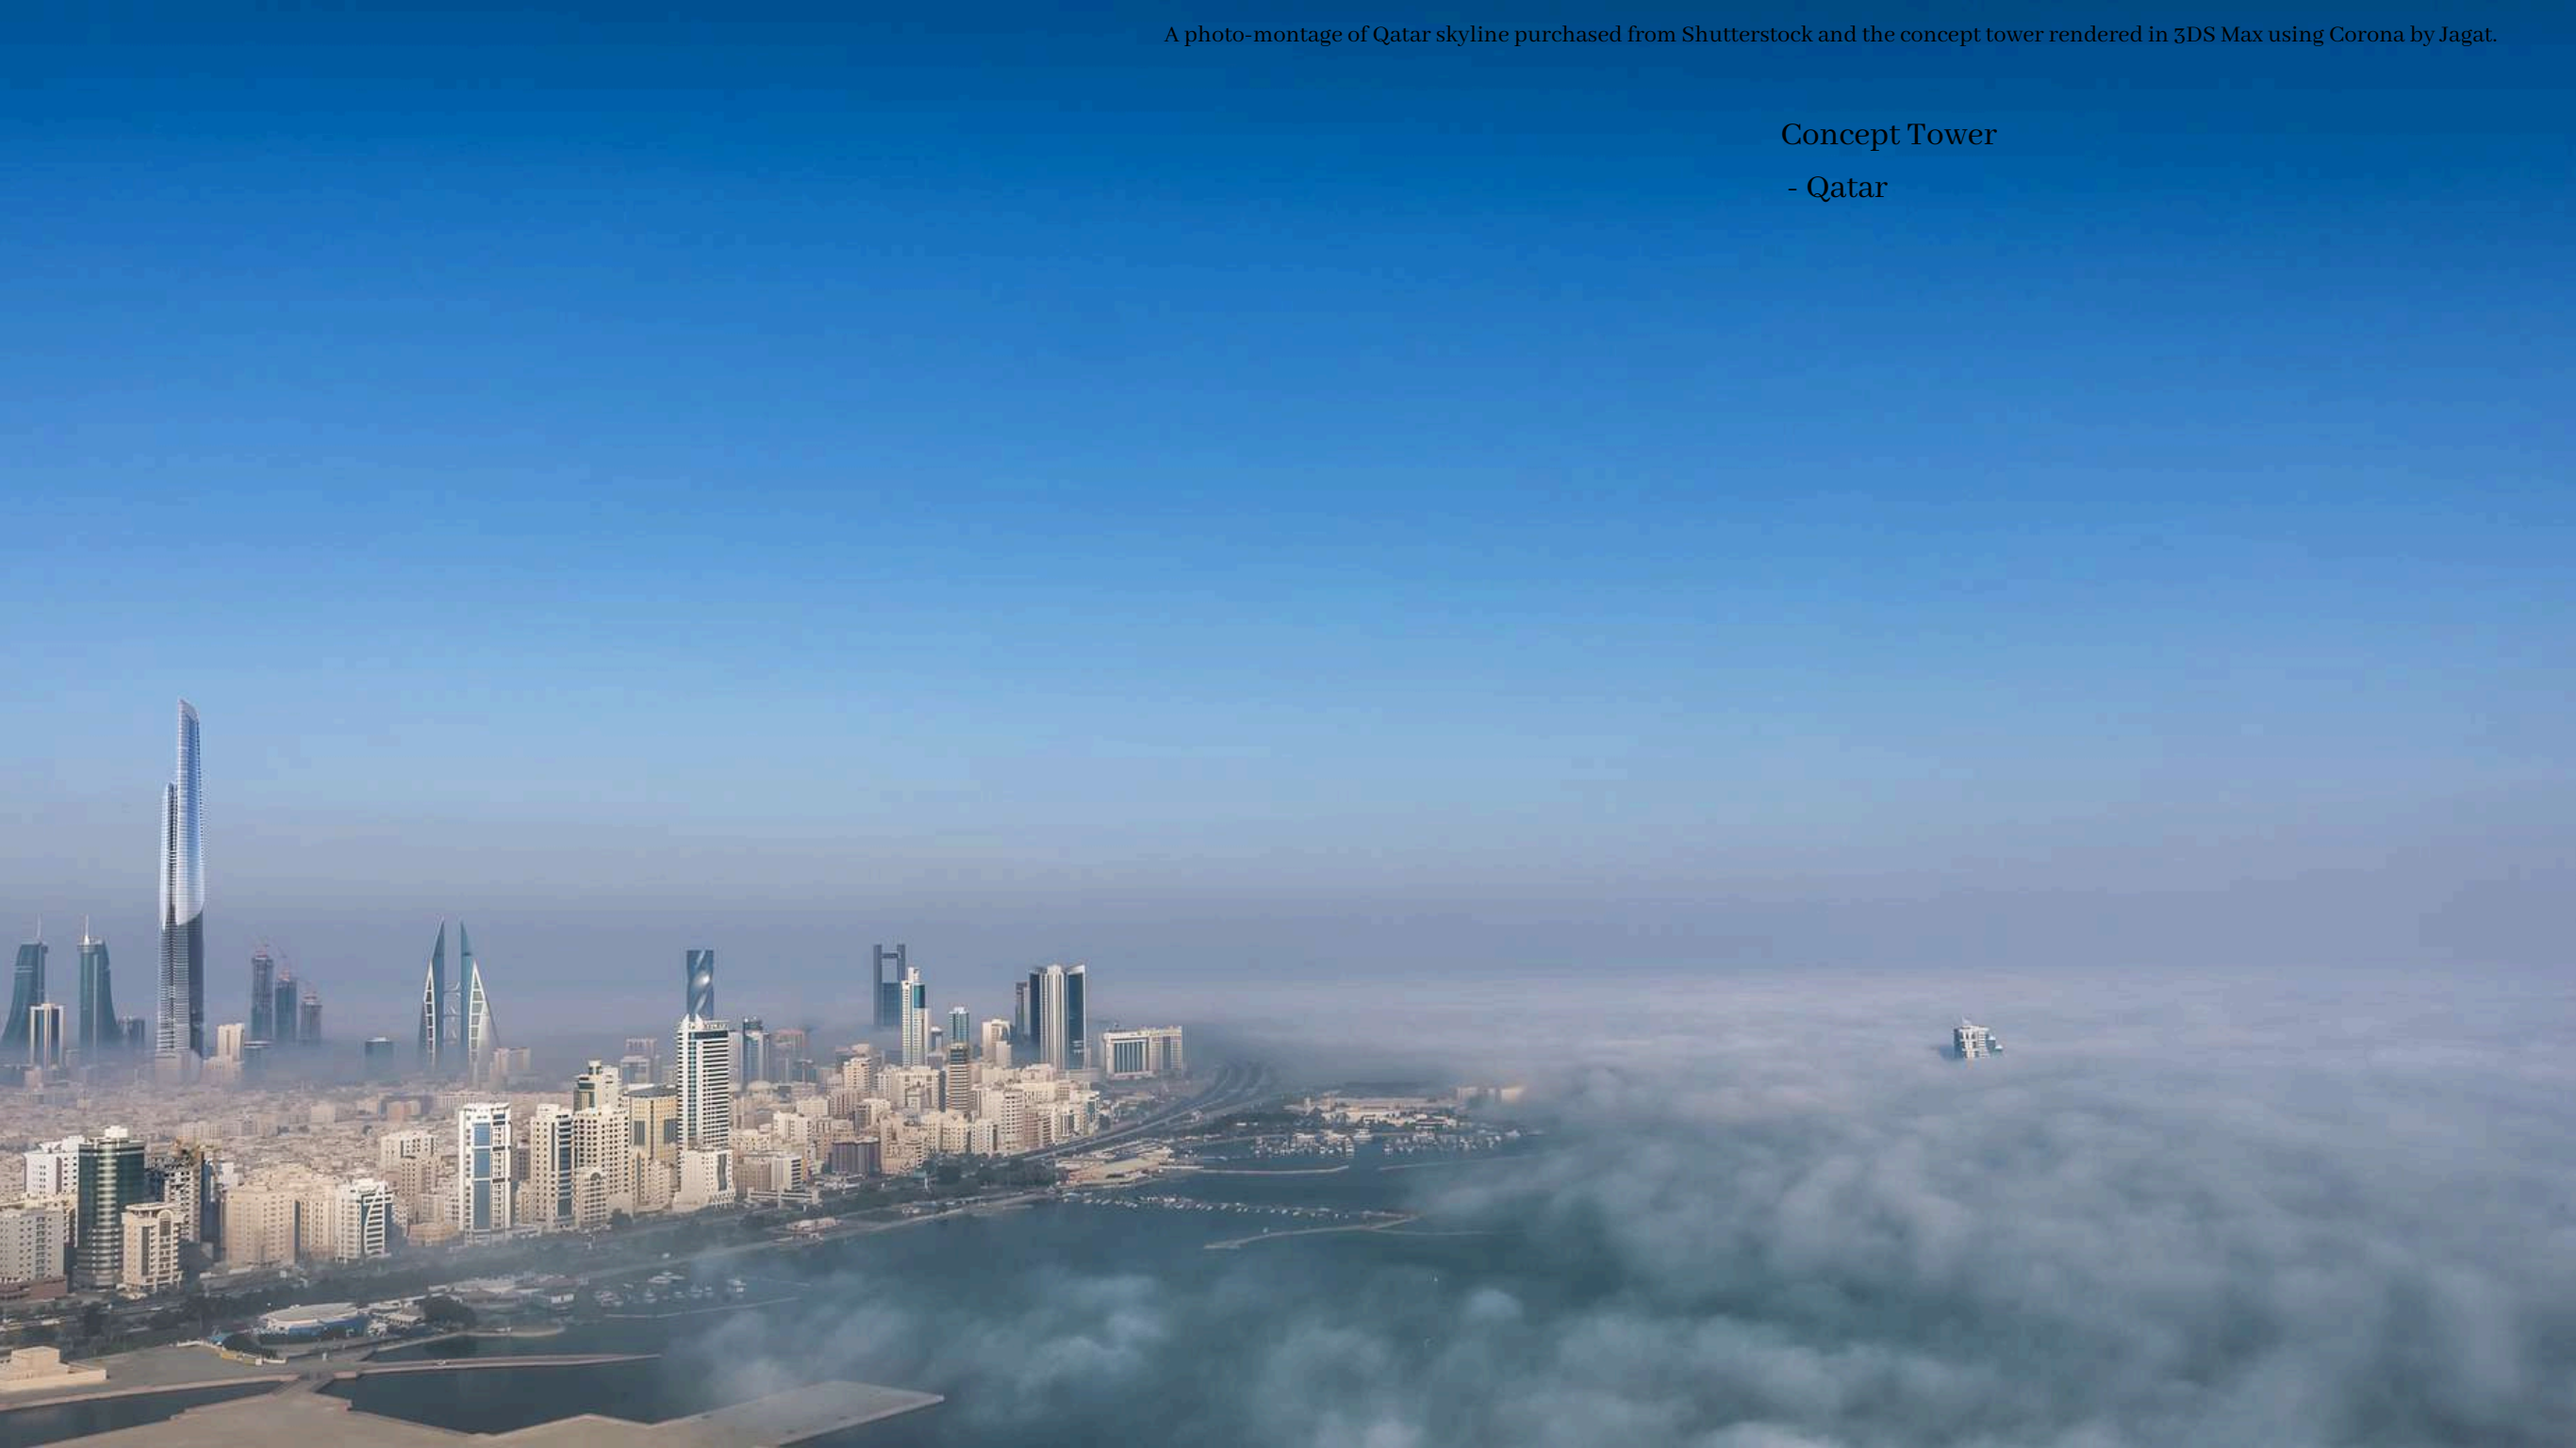
Concept Tower

- Qatar

A photo-montage of Qatar skyline purchased from Shutterstock and the concept tower rendered in 3DS Max using Corona by Jagat.

Concept Tower

- Qatar



Masterplan rendering

Dubai South properties.

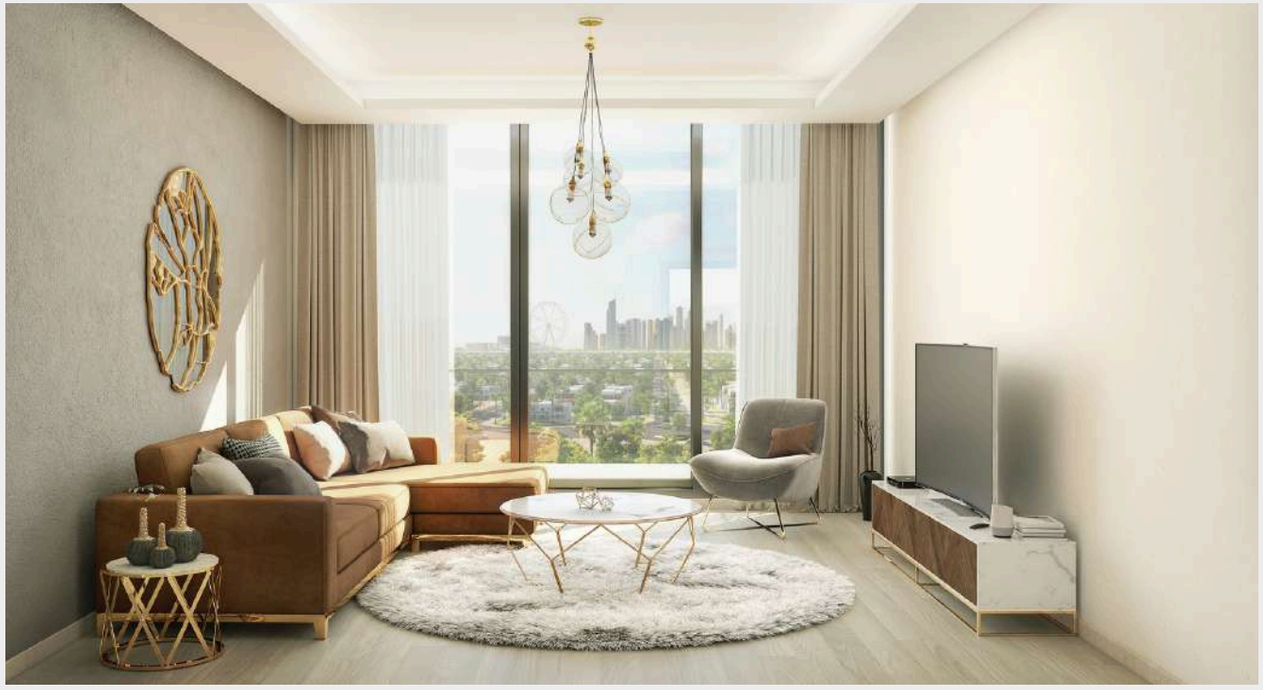
Dubai masterplan

The creation of environmental 3D assets being a collective team effort, while Texturing, Rendering and Post Production in Photoshop done by Jagat.

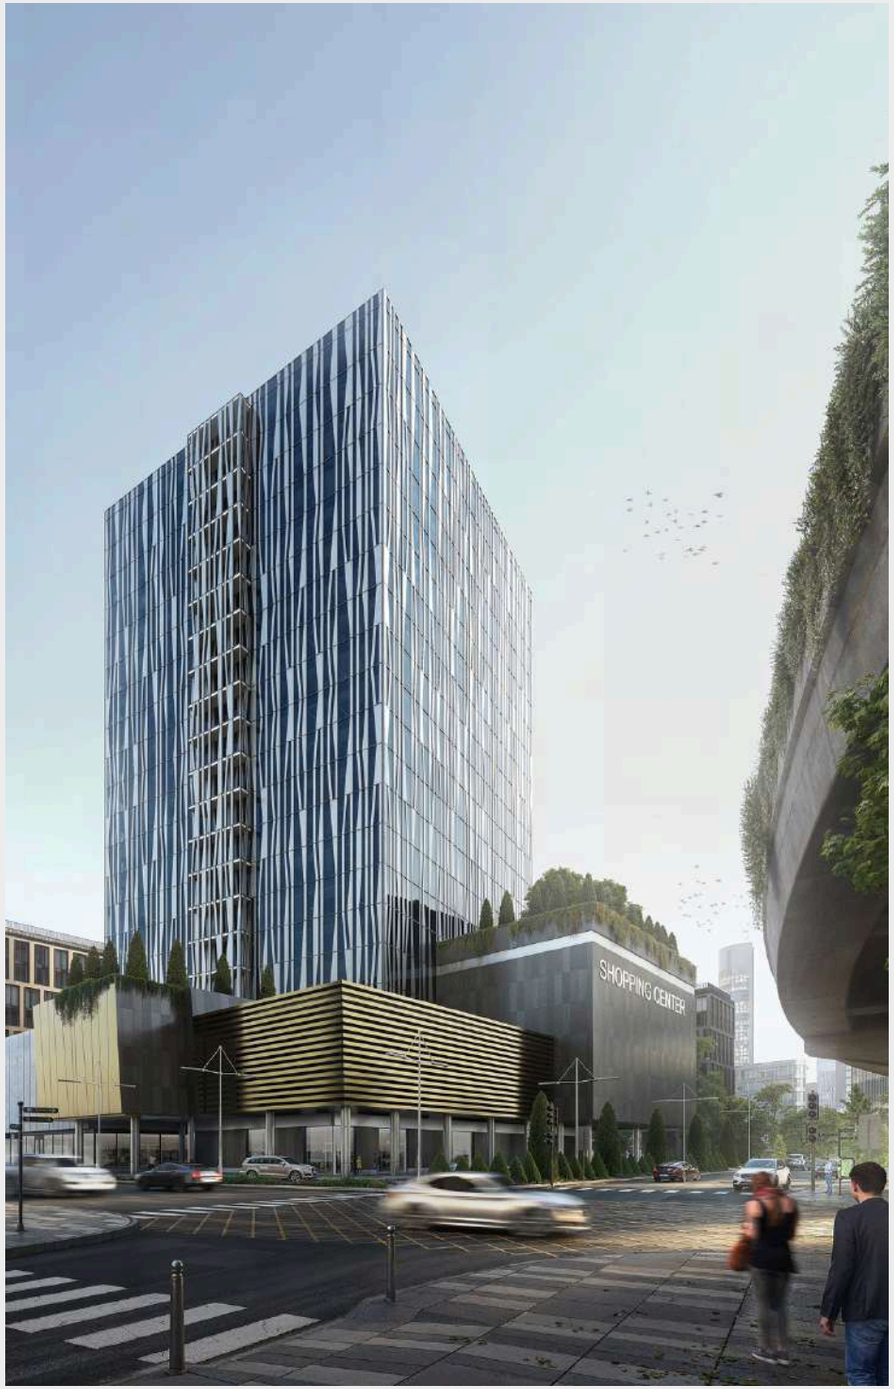
Fully modelled the Villa and the environment including rendering in 3DS Max - Corona. This specific render was also used for advertising through-out Dubai Airports.

Azizi Venice Community
- Dubai South, UAE

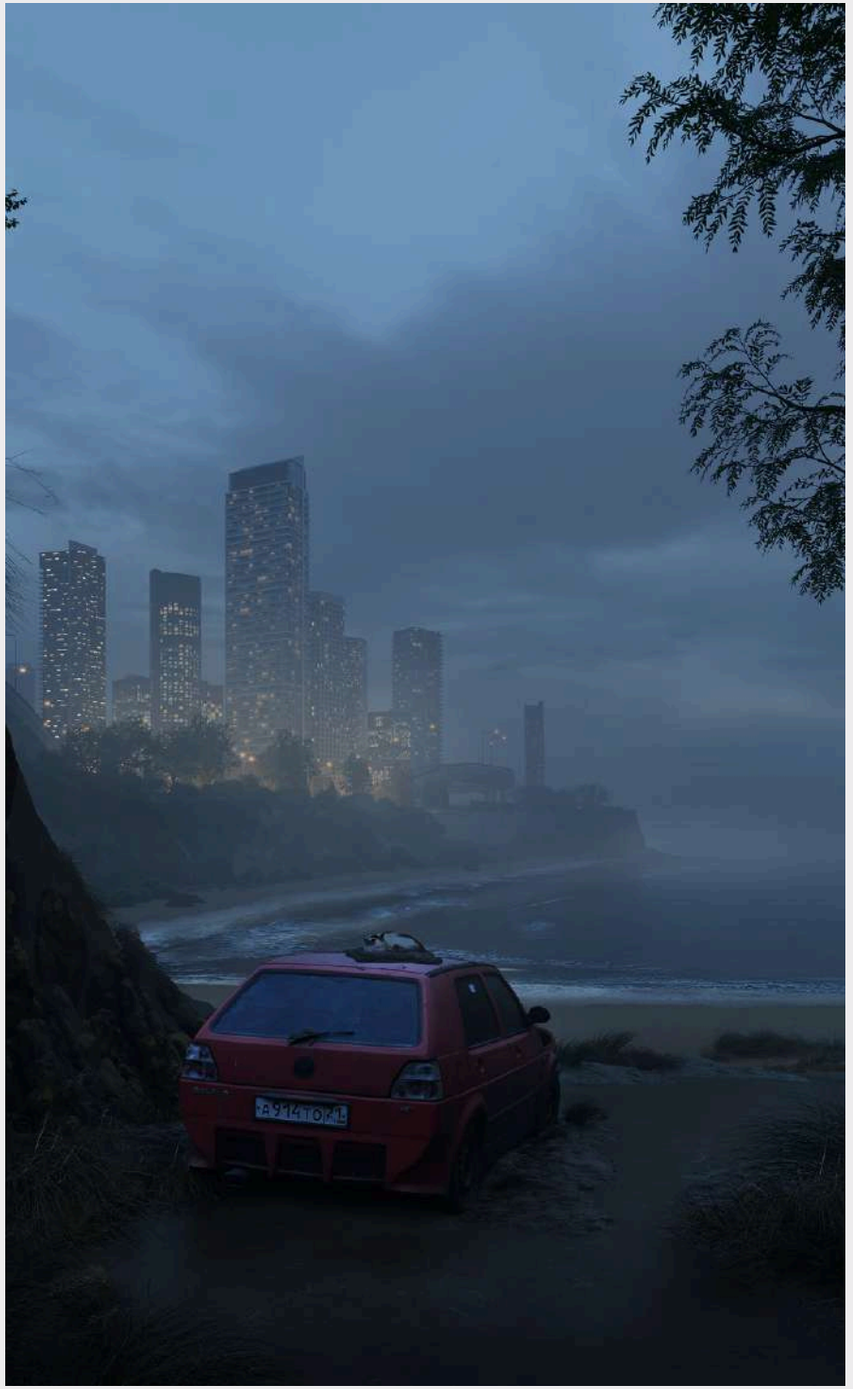
INTERIOR RENDERS

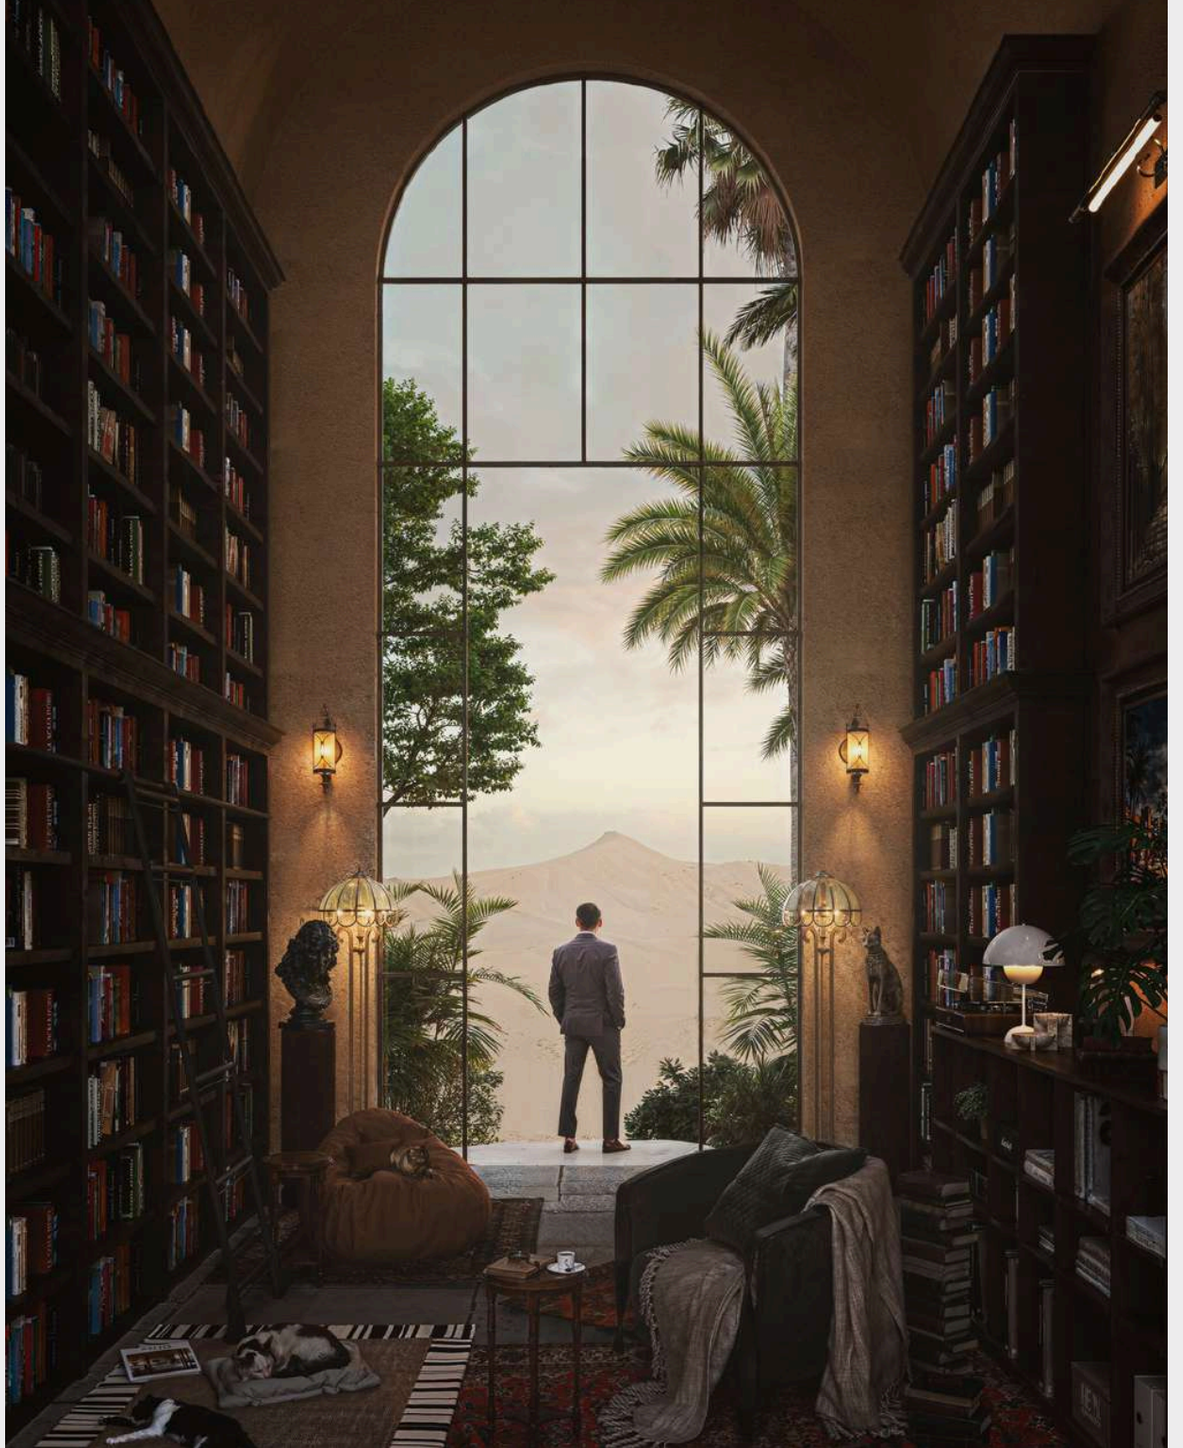


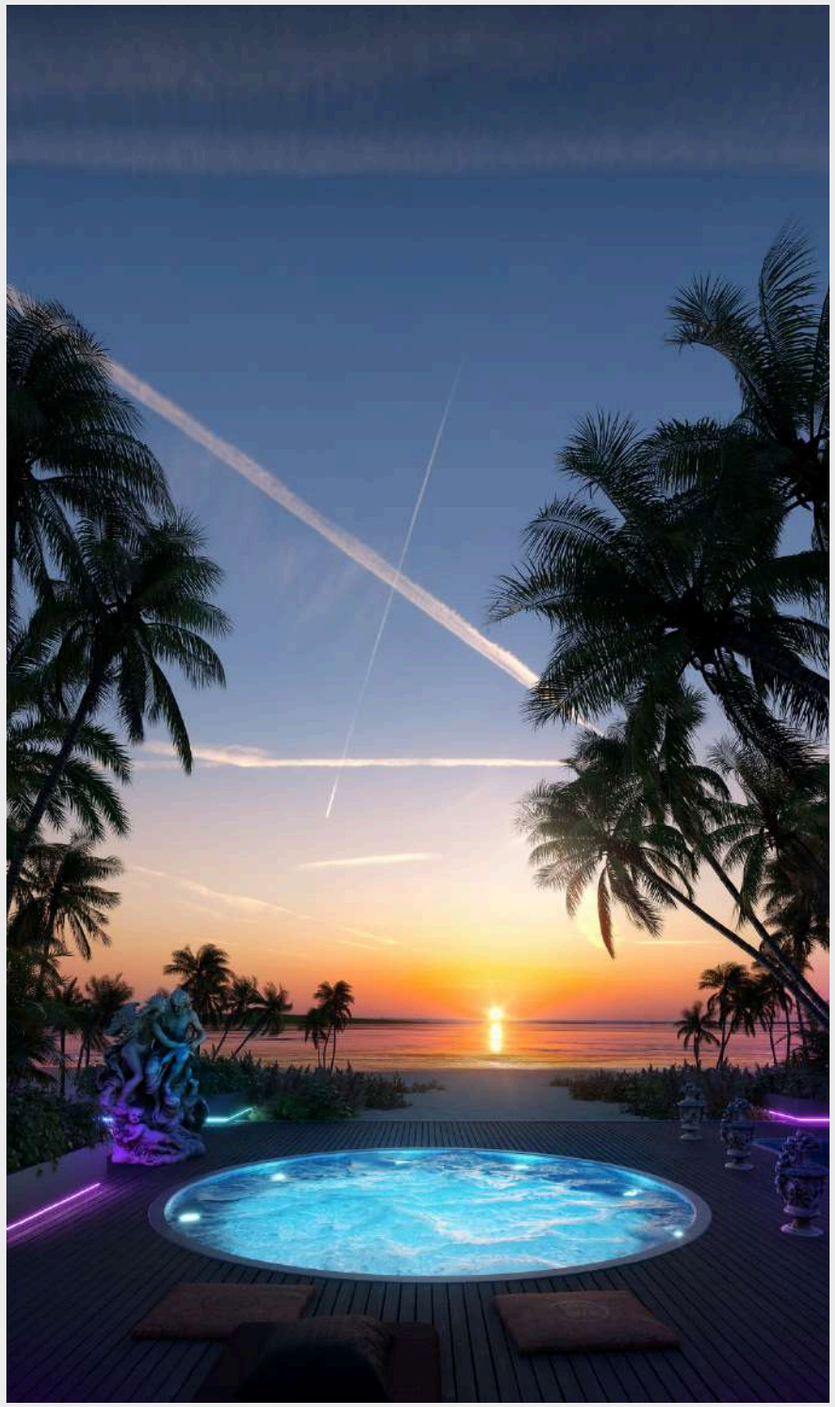
PERSONAL WORK



SHOPPING CENTER







EXPERIENCE

Founder + Senior 3D Artist

2024 - Present, Vizcraft - Dubai, UAE

3D Production Manager + Senior 3D Artist

2017 - 2024, Azizi Developments - Dubai, UAE

3D Visualizer

2014-2017, International Engineering Consultants - Dubai, UAE

Freelance 3D Artist

2013-2014, Vancouver, Canada

EDUCATION

3D Animation & Visual Effects

2012, Vancouver Film School

Vancouver, British Columbia, Canada

SKILLS

3DS Max

Corona + Vray

3D modeling

Pheonix FD - Particle simulation

Forest Pro

Chaos Scatter

Grow FX

Anima

Adobe Photoshop

Matte-Painting, Photo Editing, Post Production

Adobe After Effects

Video Editing, animation post production

Adobe Illustrator

Vector Graphics

Blender

3D modeling, Render Cycles

AI

Magnific, Midjourney, Leonardo, Kling, Vimmerse

Unreal Engine

Environment creation, Populating Assets, Basic Blueprints
